Scripture for the Message: III John 5-11

5 Dear friend, you are doing a good work for God when you take care of the traveling teachers who are passing through, even though they are strangers to you. 6 They have told the church here of your friendship and your loving deeds. You do well to send them on their way in a manner that pleases God. 7 For they are traveling for the Lord and accept nothing from those who are not Christians. 8 So we ourselves should support them so that we may become partners with them for the truth. 9 I sent a brief letter to the church about this, but Diotrephes, who loves to be the leader, does not acknowledge our authority. 10 When I come, I will report some of the things he is doing and the wicked things he is saying about us. He not only refuses to welcome the traveling teachers, he also tells others not to help them. And when they do help, he puts them out of the church. 11 Dear friend, don't let this bad example influence you. Follow only what is good. Remember that those who do good prove that they are God's children, and those who do evil prove that they do not know God.
